CQ Field Day - CQ Field Day.....This is what you heard on June 24/25. The new Novices and Techs sure had a ball operating W9RH. They took to operating like ducks to water. If they had butterflies, they sure didn't show it. Quite a few people came out to work Field Day. More than 25 people signed in. Jerry, KA9AJF, did a heck of a job coordinating the whole thing. Ted, WA9RDI, was the chef. Roger, W9UVV, got everything on video tape for posterity. The Field Day Crew operated from 6-meters down to 80-meters. 6-meters was open for quite a while. Good job, Guys!!!!!! Oh yeah, the only thing missing was a crescent.

W9RH will not be operating from the Circus Parade Grounds. The idea was too late to be worked into the Cicus Parade plans. Kelly, N9HBN, is starting to work on it for next year.

At the last MRAC meeting, June 22, a name was chosen for the school run by the Club. The name chosen is "H. Charles Kaetel Amateur Radio School" Classes will be starting on August 30, 1989 and continue for 12 weeks, until November 15, 1989. An application is enclosed for your use. If you can't use it, please pass it on to someone who can. If you need any info on the school call 546-0647.

It's that time of year again. Dues for the coming 1989-90 year are due on September 1, 1989. A renewal form is enclosed for your convenience.

The MILWAUKEE CHAPTER of the 10-10 International will host the Second Bi-annual 10-10 International Convention, August 11 to 13, 1989, at the Grand Hotel (formerly Red Carpet), 4747 South Howell Avenue, Milwaukee, WI.
